Galva High School Gets A New Principal

Gary L. Harrison

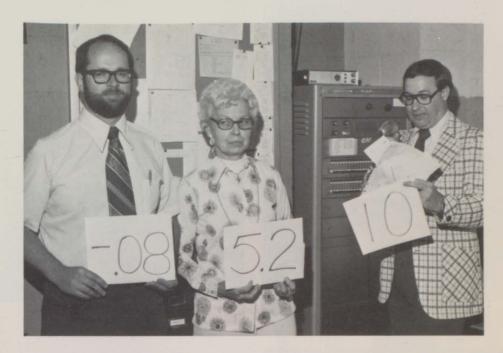

Although this is his first full-time position as a principal, Mr. Gary Harrison has had much experience and training in the administrative field. He is a graduate of Normal Community High School and while there he was out for all sports and was a star pole vaulter on the track squad. His record was twelve feet which is excellent considering the fact that he used a steel pole. After high school he attended Illinois State University where he received his Bachelor of Arts in science and math. He continued his education further and earned his Master of Science in education and administration. Upon completing college, Mr. Harrison began teaching math at Delavan High School. He also served as assistant principal there for five years. Mr. Harrison began serving in the National Guard in 1965 and is presently active, holding the rank of Captain. He performs the duties of Operations Officer and Instructor, Illinois Officer Candidate Schooi, Illinois Military Academy in Springfield.

Upon arriving in Galva, Mr. Harrison was impressed with the cleanliness of the community. He felt that the area was steeped in tradition, a fact of which the people were proud. His first contact with the students was at the Dairy Barn. He said the students looked wholesome and pleasant!

Mr. Harrison decided to become a principal because he liked education in general and liked to organize and structure. His temperment allows him to handle discipline and bring about peaceful resolutions. He is firm, but fair. Many changes have occurred under Mr. Harrison and all have been for the better. He has given much of his time and wisdom to the students. The Class of '76 was very fortunate in receiving a year under his leadership. Galva is lucky to have such a fine man and his family for citizens.

Counselor Larry Varner and Secretary Frances Thompson give Mr. Harrison an olympic rating on his morning announcements.

One of the most difficult tasks for a principal is thinking of ways to handle unruly students.

Bonfire And Skits Build Homecoming Spirit

Aw, shucks! Homecoming festivities were dampened this year by the loss of the Wildcats to the Alexis Cardinals. However, under the theme of "The Movies," the Galva Wildcats proved to victorious in spirit. The hallways of GHS were alive with excitement. Signs, posters, and streamers from each class added to the effect. The Senior and Sophomore classes tied for the honor of first place in the wall decoration judging. Thursday night of homecoming week a new attraction was added to the annual bonfire—a pep assembly on the football field featuring the crowning of King Bob Frisby and Queen Becky Karjala. The cheerleaders, pom-pon squad, band and skits performed by the speech classes added to the excitement. On Friday, the parade was held and the floats were judged. The Class of '76 float won first place for the second year in a row. Although the Wildcats lost the big game, the Saturday night dance sponsored by the Junior class was a big success!

Janis Anderson informs Lisa Larson, "It's the only gum my mom lets me chew!"

Kevin Thomson, alias John Wayne, carries Bill Dolk, alias Alexis Cardinal, off the field.

Football captains Mark Troline and John Arter wait for a really HOT fire to burn "Oscar from Alexis."

Under the theme of Walt Disney World, Mouseketeers of all ages enjoyed themselves at the 1975 FHA Formal held November 22 in the high school gym. Queen Pam Berg reigned over the festivities and Mickey Mouse could be seen looking on as the couples danced to Brass Tax. On the guest list were Minnie Mouse, Donald Duck, Tinkerbell, Jiminy Cricket and Snow White and the Seven Dwarves. The excitement seemed to reach its peak as brightly colored balloons fell from the ceiling and were stomped on by the dancers. The evening was a success; and smiles could be seen on the faces of everyone as the left the fairy tale world.

The whole evening was planned and carried through to the end by just a few people. Those people who put forth the great effort were as follows:

"Stairway To Heaven" — Prom, 1976

PROM ROYAL COURT: Beth Pettegrew, Vicki Dowell, Queen Debbie Evans, Carol Werkheiser, Carlin Puckett

Debbie Evans Is Prom Queen

Tuxedoes, Long dresses and nosegays were the fashion for the 1976 Junior-Senior Prom. The day was a beautiful May 8, and everyone was in the spirit for the dance. The event was held at the Galesburg Holiday Inn and the band, PLEASURE PRINCIPLE played STAIRWAY TO HEAVEN which was the theme of the prom. Stars of silver and clouds of angel hair set a perfect setting for the crowning of the 1976 Prom Queen Debbie Evans. The traditional banquet of years passed gave way this year to a buffet table of finger sandwiches, potato chips, hors d'hourves and punch which were available throughout the evening.

John Arter and Elaine Heiwig take a punch break during the festivities.

Scott Hulstrom and Vicki Dowell react to Matt Storti's jokes.

Desi Luckey and Ron Ivie join the "Boogie People."

Sarah Karjala and Mark Troline seem amused at the antics of the seniors.

Wende Berg, Kevin Krause and Greg Dowell wonder who keeps drinking their punch.

The Wildkits showed strength, spirit, and great promise this season. A strong sophomore class, with a good freshmen turnout, boosted the team to five consecutive wins. A damper was placed on the Wildkits' season as they dropped their two closing games to Aledo and Monmouth. Coach Gumbel's squad gained valuable experience which will be a great asset to the 1976-77 Wildcats!

The Wildcats started out their season with an exciting victory over Tiskilwa. The second game saw Galva losing to Lewiston. This game deflated the spirits of the 'Cats when Rick Sunberg was injured in the last minutes. Galva put up a good fight against Olympia but the Indians were a bigger team and soon ended Galva's thoughts of victory. Galva's defeat by Abingdon announced the 'Cats first conference game. In their second conference game the Wildcats fought hard but were downed by ROVA. Homecoming proved to be an exciting event with Alexis beating Galva in overtime. The Wildcats had their highest scoring game against Knoxville but the Blue Bullets came back in the second half to win their own homecoming game. Aledo beat Galva in the Cats last conference game assuring the Green Dragons of a berth in the state playoffs. In their last game, Galva met Wethersfield. The game was decided early and the Wildcats went down in defeat.

Wrestling

Wrestling Reflections

Looking back? It's easily done, with mixed results. Some thrilling, as in the first place finish at the Campbridge tournament, the indescribable joy of a first sectional qualifier, John Arter. The sadder side is the loss of graduating seniors who helped the team to grow in maturity. That is the ultimate loss in which no amount of training or coaching will avert its eventual victory.

The only solution is to salute those individuals by striving to better the standards which they set. The standards set by those young men, (John Arter, Scott Hulstrom, Phil Wilsey, and Eric Kendall) are standards challenging enough to any who dare accept it.

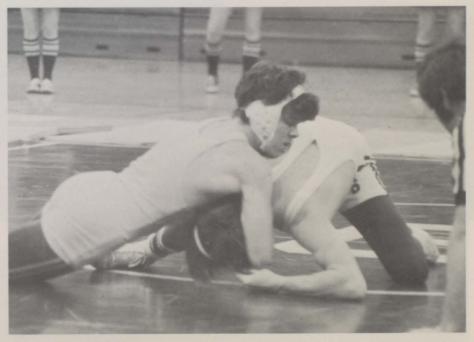

To those leaving this sport, we salute you. To those yet to come, "I dare you!!"

Coach Rich Volkert

With only one returning letterman, Randy Quanstrom, Coach Volkert's Wildcats found the going rough this season. Playing against much more experienced ballclubs, the 'Cats recorded a 9-13 overall record. Several games barely slipped out of reach of the 'Cats, but they are to be commended on their spirit and effort. Led by Mark Brock in both scoring and rebounding, the 'Cats show great promise of a state tournament team next season.

As usual the Art Club had a busy, and productive year. They made and sold to the students a school calender listing all scheduled events and birthdays. They also published a telephone directory of all GHS students' phone numbers. They also held their second annual art show with entries from other area schools. Mrs. Dickinson kept the art room open several nights after school so the members could make poster paintings and macrame bracelets which were sold to make money. Those members who earned enough points took a trip to Chicago to the Art Institute and "Old Chicago" Amusement Park.
